"ya wanta know somethin"  
your Cute

March 14, 1945  
Germany-

my Darling Wife,

Honey tonight I am greeting you from my cot. I am sitting Cooped up with my feet in the middle of somebodys Chair. Smoking a Cigar, ya I said a Cigar. I was over to the Store today to visit the boys, and they had gotten a few Cigars in the P.X. Ration last week and one of the Guys saved me a couple. That's real friendship for you. Where else could you find men who would get go to the same amount of trouble for you expect in the Southwest, Ha

Honey when I get home you are going to have to take it easy on me for getting my feet on the furniture, over here we don't give a big dam for ruining this stuff because it all belongs to the Krauts. But I am afraid that it is going to be hard on me latter. (I mean about the feet on chair) Ha

Boy is this Cigar ever good. It is the first one that I have had in almost two months. Honey send me a Box of Cigars please. I sure can use them.

Darling of course I don't expect you to send them every time I ask you. But just in case you can ever find some you will have a Request for them so they will let you mail them.

Honey I wasn't Kidder when I said that I want

You to send me a camera and some film. If I can't get them developed, I will send the exposed film to you and you can get them developed. How about it Honey? Do you think you could get me a small folding camera and send it to me. I'll send you some real good pictures if you send me a camera.

Darling have I told you yet tonight, that I Love you? You know I do Honey, and with all my Body and Heart. I am yours forever and ever. Honey keep that wonderful love light shining in those big, beautiful, Brown eyes for me till I get home. I love you so much Honey,

Sweet I am awfully worried about Ed, I haven't heard from him in an awful long time.

Shucks my cigar has gone out, Guess I'll have to hunt a light. Aw this is going good again now.

Honey I see in the papers, where the Senators say the war is already won. I wish they were with me, I bet by Golly they would change their statements ~~to~~ <sup>the</sup>. Gosh Darling I do hope this war is over soon. Wouldn't it be wonderful if we could get to come home and to be together again. That is what I pray for every night.

Honey I know God is going to answer our prayers, But right now he has so many requests, that it may take a little time for him to get around to us. But we will be together again before too awfully long Darling. I know we will. I miss you Darling. I miss you like I have never missed anyone before in all my Life. Maybe it is because I Love you so darn much.

my Darling I received two letters from you today. No. 47 & 48 they were so sweet Honey. I simply am in Love with you. Your letters give me a thrill that engulfs me. Darling the next best thing to having you is having a letter from you. When I am reading your letters Darling, I feel so much closer to you than at any other time. It just seems that if I were to look in the next room you would be there. Someday soon all I dream of and all you dream of, is going to come true Darling. Look how I would love one big Kiss from you right now. Honey I miss your kisses so very much. Especially that Good night Kiss. Keep hoping and praying Darling and it will all come true soon.

God Bless you Darling and keep you safe for me. I Love you With all my heart dear, don't ever forget that. Whenever I may be you are always with me.

Good night Darling

I Love you Darling,  
Your Devoted Husband  
Bob

I love you  
ME

P.S. I received a letter from Millie today.

Say did I ever tell you that you  
are the most Beautiful woman in  
all this world. You are.

I Love you

Bobby
